

Footer

- address not one line

Major Exploration

- image no transportation
- university name two lines
- which phone to put
- i updated in style.css for modal to be on .modal1 class not #myModal
- show tours depending on what? start_date? end_date?

Contact

- what are the contact numbers?

Team

- I dont know how to represent the vacancies , html and attributes are different
- links to apply dont work.
- applying for vacancy form is not relevant.

Mentors

- what is the dropdown for?

Conferences

- show conferences depending on what? start_date? end_date?
- which phone to put?
- dropdown javascript not available
